The Ingots are bars of gold and silver are exempted from octroi the articles never out of them become became liable to the payment of octroi, under the law

The municipal council are competent however even these articles may be exempted from taxes only The reason advanced is that the realisable octroi is negligible

In view of the recommendation of the Deputy Comr to exempt the gold and silver articles from payment of octroi may be approved

Re the exemption of octroi duty on gold and silver which will come under the head ' All kinds of metals '.

Sir,

In forwarding herewith the letter No M C 45/49 dated 15-12-1950 received from the President, Municipal Council Tiptur on the above subject, I have the honour to state as follows.-

As per G O No 10842-4/MI 88-48-50 dated 26-6-49 the Government were pleased to sanction the proposal of the Municipal Council to levy octroi duty on 15 scheduled articles at the rate shown in the statement annexed herewith As per the present order, duty is leviable on all metals This includes precious metals viz Gold and Silver The President has reported that difficulty is being experienced regarding the levy of duty on these two metals, as it is not possible to trace the transactions made as a business in gold an silver is done on a small scales The matter was therefore placed before the council for their consideration of exempting these two metals from the purview of taxation rules now in force In their meeting held on 30-11-1950 the Municipal Council have resolved that a recommendation may be made to Government to exempt gold and silver and articles made out of them from the operation of these taxation rules A copy of the resolution of the Council is enclosed for kind perusal

In the circumstances, I request that sanction of

Government

Government may kindly be obtained to the proposal of the Municipal Council and communicated

Yours faithfully,

Objection re the exemption of octroi duty on Gold and Silver which will come under the head " All kinds of Metals

---

In enclosing herewith a copy of G O No L 10842-4/M1 88-48-58 da ed 23-3-49, together with a schedule of articles on which octroi duty levied in this Municipality etc , I write to state that the octroi duty is levied on 10 items and is being recovered But in item No 8 of the Schedule all metals and their products also includes Gold and silver These two items ought to have been exempted at the time of submission of the proposal to Government for sanction The recovery of the duty on Gold and silver is very difficult as these are valuable metals and the purchases are being made in small quantities which would not be traceable It is not being recovered in this Municipality so far The omission or recovering duty on ~~these~~ these two items may give room for an objection by the audit department as these two items will come under 'all kind of other metals"

Hence, the above observation made by the under-signed was brought to the notice of the Municipal Council at their meeting held on 30-11-50 and the Council resolved to exempt the duty on the above two items as the opinion of the Council at the time of submitting ~~or~~ the proposal to Government for sanction was to exempt the same from the list

Therefore, I request you to kindly obtain sanction of Government for ~~rectifying~~ already altering colum No 8 in the schedule as " All other metals and their products except Gold and Silver instead of 'all other metals and their products' A copy of the Council resolution No 10 dated 30-11-50. is enclosed for kind reference

Yours faithfully
